

## Sale Debt Advice Centre

We support and are proud to work with Christians Against Poverty (CAP). We are one of eight local churches who have partnered together to help people experiencing financial difficulties get back on their journey to debt freedom. Debt can occur through the loss of a loved one, loss of income or as little as an unexpected expense for a household who already struggle on the minimum wage. It can have dire consequences on families, affecting mental health and contributing to the breakdown of relationships.

We now have a Debt Centre in Sale which offers life transforming help from an award winning charity, CAP. If you're weighed down by debt, ring 01274 761911 or go to [www.capdebthelp.org](http://www.capdebthelp.org).

For more information about CAP, please speak to Janice Mason, your church representative or visit [www.capuk.org](http://www.capuk.org).
