User Stories

- We need user stories for the church hall eg:
 - I want to be able to wheel someone into the café
 - I want to be able to get a coffee and sit outside watching the children play in the field
 - I want to be able to have a coffee even when there are activities going on in the hall
- We need user stories for the church eg:
 - I want to have a coffee after service on Sunday without getting wet going across to the hall
 - I want to discuss my wedding in the church without it being freezing cold

Over to you – for discussion

- Your thoughts on church hall extension. Do we build the café at the same time as doing the church work?
- Your thoughts on colour schemes, do you want to keep the existing colour schemes in the Church?
- Do you want to be involved with the decision making
- Would you help with the building brick day
 - Or any other fundraising
